

PRODUCT DATA SHEET

PRODUCT: ALL SOLVE
WATER BASED DEGREASER MED. DUTY

Description

ALL SOLVE – A concentrated cleaner, designed for cleaning of all hard surfaces. Based on surfactants, sequestrants and water soluble solvents. Suitable for high pressure equipment, foam generators, steam cleaners, immersion as well as wipe-on wipe-off applications.

Principal uses

- Excellent solvency for greasy and oily soils
- Good carbon remover
- Rinses off rapidly and completely
- Safe on aluminium, magnesium and high strength steel
- Safe on good quality paint and acrylic plastic when used as directed
- Surfactants biodegradable
- Non flammable
- Chromate free

Directions for Use

1. Removal of Light to Heavy Soils and Carbon

Dilute 1 part cleaner with 10 to 20 parts water for light to moderate soils. For moderate to heavy soils, dilute 1 part cleaner with 2 to 10 parts water. Apply cleaning solution with non-atomising spray equipment, foam equipment or brushes or mops. Allow cleaner to penetrate soils, then agitate lightly with mops or brushes if required. Rinse off thoroughly with running water.

2. Cleaning Upholstery, Rugs and other soft Surfaces

Dilute 1 part cleaner with 10 to 50 parts water (1:15 is usually satisfactory). Wipe soiled surface with cloths or sponge wet with cleaning solution or apply cleaning

solution as a foam using foam generator. Agitate heavily soiled areas lightly with a stiff bristle brush. Wipe away excess cleaning solution and soil with clean, dry cloth or vacuum dry with machine designed to accept liquids.

Safety and Precautions:

ALSOLVE contains alkaline material. Avoid contact with eyes and prolonged contact with skin. In case of accidental contact with eyes, rinse freely with copious amounts of clean water.

First Aid

EYES: Contact of solution with eyes will cause a burning sensation. Wash well with clean water.

No harmful side effects.

SKIN: Will not cause burning of skin.

INGESTION: As with all detergent based products, when ingested might cause nausea. DO NOT INDUCE VOMITING. Give person milk and egg white to drink. Seek medical attention.

INHALATION: No Risk.

Packaging:

available in 25Lt, 5Lt and 1Lt

Shelf Life & Storage

12 months when stored in a cool dry place, failure to comply with these recommendations will result in a reduction in shelf life

Note:

Because **ALSOLVE** contains free alkalinity, care should be taken on certain painted surfaces DO NOT MIX WITH ANY CHEMICALS, unless indicated by the manufacturer.
